APTITUDE MOCK TEST

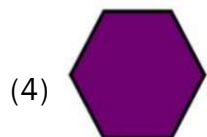

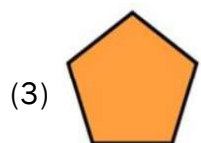

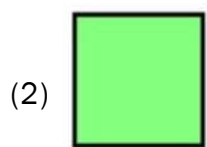

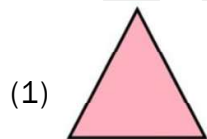

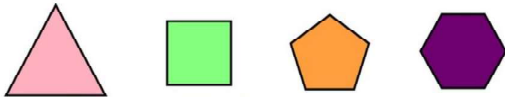

Grade 1

LOGICAL REASONING

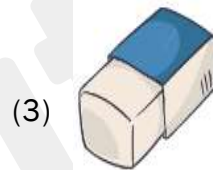

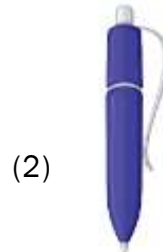

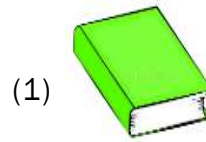

1. How many rectangles are there in the given figure?

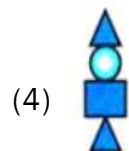

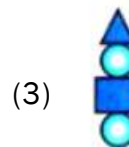

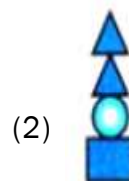

- (1) 4
(2) 5
(3) 6
(4) 3
2. Pick out the four-sided shape from the following figures.

3. Find the odd one out.

4. Find the odd one out.

5. Find the odd one out.

(1)

(2)

(3)

(4)

PROBLEM SOLVING

6. Find the next alphabets in the given series.

A, A, B, B, C, C, __, __.

(1) C, D

(2) D, D

(3) D, E

(4) E, E

7. Find the next number or alphabet in the given series.

1 A 2 B 3 C __

(1) 4

(2) D

(3) 5

(4) E

8. Ahmed and Saroj are standing in a queue. There are 12 people in the queue. The position of Ahmed is 1st from the front while Saroj is 3rd from the last. How many people are standing between Ahmed and Saroj?

(1) 11

(2) 10

(3) 8

(4) 9

9. Find the missing term in the sequence.

B1, C2, __, E4, F5.

(1) AA

(2) 3D

(3) D3

(4) D4

10. A person walks in the direction opposite to the North, then turns right and covers some distance. Find the direction he faces now.

(1) North

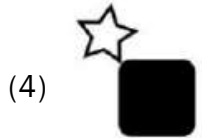

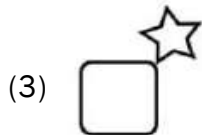

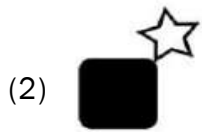

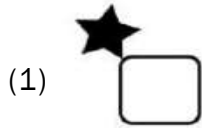

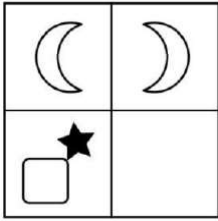

(2) South

(3) East

(4) West

CRITICAL THINKING

11. Determine the relationship between the two pictures in the top two boxes. Then, choose the correct option to create the exact relationship between the shapes in the bottom two boxes.

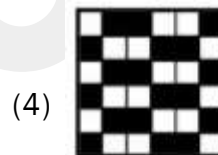

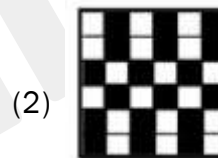

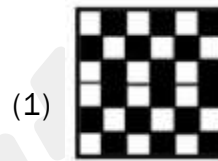

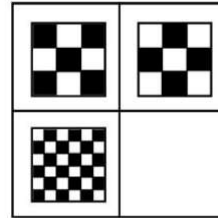

12. Read the story and answer the question:

Baby elephants get extra care. A baby elephant's mother looks after it. The baby is also looked after by an aunt. Lions and tigers won't go after a fully-grown elephant. But they will go after a baby. When they walk along a trail, the mother elephant goes first. The aunt comes last. And the baby is in the middle.

What happens when the baby elephant walks in the middle?

- (1) Lions and tigers won't attack it.
- (2) It gets abundant food.
- (3) It can walk slowly and sleep in between.
- (4) It gets protected from cold.

13. Determine the relationship between the two pictures in the top two boxes. Then, choose the correct option to create the exact relationship between the shapes in the bottom two boxes.

14. Look at the image and answer the question:

Sam and Dylan are playing. Sam is up. Why is that so?

- (1) Sam and Dylan are playing on the see saw.
- (2) Sam and Dylan are playing hide and seek.
- (3) Sam and Dylan are playing cards.
- (4) Sam and Dylan are watching a movie together.

15. Find the **effect** part in the given statement:

Kishan skipped lunch and was very hungry by dinner time.

- (1) Kishan forgot his lunch.
- (2) Dinner was delicious.
- (3) Kishan was hungry.
- (4) Kishan skipped lunch.
